It is available online to everyone and can be downloaded at BatesvilleBaptistInstitute.com. The publication of a preacher's availability for preaching appointments or pastoral work should never be considered a recommendation by the publishers of The BBI Bulletin, Zion Hill LMBC, or the faculty/staff of Batesville Baptist Institute.

The unchanging mission of BBI is to teach and train men and women for service to the Master. The Word of God is the most precious book in the world. An institution like BBI is a fortress for its defense and preservation and these truths are to be taught in every classroom. The new radicalisms, charisma, new ways, and new revelations are all discarded as occult or heresy. The Ancient Landmarks are not to be removed from this institution.
